Busy Shoppers Caught in Act

Caught in the act, Joyce Cannon of Torrance and Judy Scott of Wilmington were in the midst of a Downtown Torrance shopping spree when Press Photographer Robert Wintermeyer took a few shots.

Readying for school, Miss Scott is preparing to return to El Camino for her fourth semester as a music major, and Miss Cannon, after returning from Hawaii, will resume her education there.

shops, Mon Botique, Pic Wic, Levy's, Mode O'Day, Moores, and the Gay Shop, the young ladies tried every thing from date dresses to school clothes. Finding the newest, Tobacco tones appealing, the girls also selected attire in red, gold, champagne, plum and various shades of green, ranging from the flat, gray-green to the rich kelly green tones.
